In the event of significant and unpredictable increases in the cost of manufacturing, shipping and servicing our products, we may impose additional surcharges to offset these costs. By issuing an order for our Products, Software and/or Services, you agree to pay these surcharges upon notification.

Lead times could be longer due to the potential impact of COVID-19 and/or global supply chain constraints.

Payment terms stated above are subject to credit approval.

Unless otherwise stated herein, shipping charges are not included in the price. Any quoted shipping charges are estimates only.

Lead times are estimated based on current material availability and manufacturing allocations and are subject to change. Actual delivery date(s) will be verified following receipt of order and communicated at time of Seller's acceptance of the order.

Availability of product included in this quote is subject to prior sale.

The offer contained herein is expressly limited to acceptance of the terms set forth herein. For (i) Product purchases, the MKS' Standard Terms and Conditions found at www.mksinst.com/Agreement shall apply or (ii) for Product evaluations or loans, the MKS' Standard Evaluation Terms and Conditions found at www.mksinst.com/Evaluation shall apply. (POs must reference the quote). Item prices do not include shipping, handling, customs fees duties or taxes, unless otherwise stated herein.

Terms and Conditions

By issuing a purchase order in connection with this quotation, Purchaser certifies that if products purchased pursuant to such purchase order are directly or indirectly exported, re-exported or transferred, Purchaser shall comply with all applicable global export control laws and regulations, including but not limited to regulations implemented under the Wassenaar Arrangement or other multilateral export control regimes, the U.S. Export Administration Regulations (EAR), and U.S. International Traffic in Arms Regulations (ITAR). In particular, Purchaser declares that it will not: (1) use the products for any end-use activities restricted under Part 744 of the EAR or any equivalent end use based restrictions (to the extent applicable to the country or end user); or (2) export, re-export or transfer the products to any person, entity, and/or country, in each case without first obtaining written authorization from the applicable government agency (if required).

An end-user/end-use statement may be required prior to placement of a purchase order, unless such statement has already been provided by Purchaser. Seller may also require reasonable cooperation from the Purchaser in order to determine any license requirements and/or process applications for export licenses. Any requirement to obtain a license may result in a delay in shipment and/or additional costs. In addition, if the relevant government agency denies a required export license, Seller will be prevented from the sale and delivery of the products. The quoted lead time for the shipment of products may be impacted by the length of time required to obtain an export license. Seller will not have any liability to the Purchaser for any failure or delay in shipment resulting from any license requirement.

Please reference the quotation number above when placing your order.

Thank you for your interest in our products. If you have any questions, please do not hesitate to contact us.
